COMMENTS:

- The insured has Verizon Connect telematics with dash cams facing outside and inside their vehicles. They are routinely monitor the reports. In addition, the insured utilized embarksafey.com to run MVRs prior to hire. The automated reports are provided to them when driving records change for their drivers.
- Violations – when/if a driver violation occurs the driver is responsible for the any associated fines and/or fees. The insured has a violation policy, if any driver with 4 or more points, where applicable a defensive driver course is mandatory to be completed. When and if a driver has 7+ points where applicable a defensive driver course is mandatory and further disciplinary action may be assessed.
- MVR run at time of hire and annually
- Chubb telesurvey will be completed within 30 day of binding and can share the controls in place.

Please advise your authorization as soon as possible.
